Columbus Day

Christopher Columbus loves the sea. He is already a sailor when he is 15 years old. Columbus wants to find an easy way to get from Europe to Asia.

Queen Isabella and king Ferdinad help Columbus.
They give him 90 men and three ships: the Nina, the Pinta, and the Santa Maria. The Santa Maria is very big, the Nina is small.

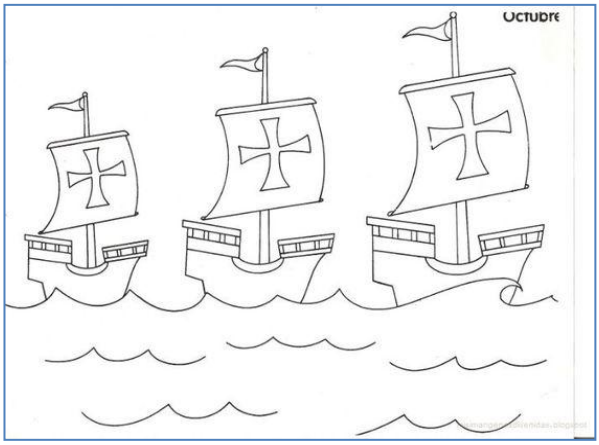

Columbus sets sail in August 1492. After 71 days he discovers the New World on October 12th.
In America people celebrate his discovery every year
